

Stand, Grip and Tap, it's so easy!

iStand

Vertically and Horizontally, A Different View

Simply attach the suction disk of iStand to your iPhone and iPod. Give your iPhone or iPod a new versatility. Ideal for watching movies and slide shows.

Stand, Grip and Tap, it's so easy!

Use the iStand to control the perfect angle of your iPhone and iPod. You can hold it or stand it up, either way it makes for better control.

In the picture!

Set your iPhone at the perfect angle for hands free filming. Now get in the screen!

Choose from 7 Colors

Make it a perfect gift for your iPhone / iPod friends. Why not use different colors for different occasions? White at home, Orange at work, Blue for him, Pink for her. Made of Silicon, made in Japan.
